

**REMARKS**

Reconsideration of this application is requested.

The non-elected claims (claims 14-21) have been canceled without prejudice to possible divisional filing.

The Examiner is requested to reconsider the obviousness-type double-patenting rejection based on U.S. Patent No. 7,314,573 and the provisional double-patenting rejection based on Application No. 11/168,996; Application No. 10/558,378 and Application No. 10/528,583. A Terminal Disclaimer is being filed herewith with respect to the issued patent and the last two of the applications. It is noted in this regard that Application No. 11/168,996 has been abandoned. Accordingly, the disclaimer refers only to the issued patent and the other two pending applications.

Favorable reconsideration with allowance of the application is requested.

Respectfully submitted,

MORGAN LEWIS & BOCKIUS LLP
